Dear Vineland K-8 Families,

The air is already buzzing with excitement as we prepare to welcome you back to Vineland K-8 Center for what promises to be an extraordinary 2025-2026 school year! It is our goal to work together to maximize the learning of every student, ensuring we motivate them to strive for their own personal best and to have fun while doing it!

I want to take a moment to **celebrate Vineland's phenomenal achievements!** Vineland K-8 Center has once again achieved the prestigious **"A" school designation!** This is a testament to the collective brilliance of our students, families, and our amazing teachers. It is this combination of exceptional staff, phenomenal students and supportive parents and community that makes Vineland K-8 Center the elite neighborhood school that it is. And the incredible news doesn't stop there! I'm thrilled to announce that the Florida State Board of Education has recognized our relentless pursuit of excellence by designating Vineland K-8 Center as a **School of Excellence** for this past academic year. Furthermore, our commitment to environmental stewardship has been recognized with the **GOLD Level Everglades Champions award.** Each of these accolades reflects the vibrant, holistic learning environment that is cultivated here at Vineland K-8 Center.

Finally, our theme for this year is: ***"Dare to Explore! It's In Our Nature."***

Thank you for entrusting your children to us. We look forward to working together with you to ensure the best educational experience available.

Respectfully,

Cathy Krtausch
Principal
